THIS MATTER is opened by the Court *sua sponte*. The Court finds that on August 18, 2016, Plaintiff Stabledata Systems, LLC (“Plaintiff”) filed a motion for partial summary judgment, which included a statement of material facts which (1) did not list those facts in separate paragraphs, and (2) was not submitted as a separate document. However, Local Civil Rule 56.1(a) provides, in relevant part, that “[o]n motions for summary judgment, the movant shall furnish a statement which sets forth material facts as to which there does not exist a genuine issue, in separately numbered paragraphs citing to the affidavits and other documents submitted in support

of the motion.” Local Rule 56.1(a) also provides, in relevant part, that a “statement of material facts shall be a separate document (not part of a brief) and shall not contain legal argument or conclusions of law.”

Accordingly, for good cause shown,

IT IS on this 25th day of August, 2016,

ORDERED that Plaintiff’s motion for partial summary judgment [Dkt. No. 43] is DISMISSED without prejudice.
